INTERNATIONAL COMMITTEE

Alexander Zharkov (Russia), Herve Graindorge (France), Alexander Vorozhtsov (Russia), Bikash Bhattachariya (India), Haridwar Singh (India), Gennady Sakovich (Russia), Keiichi Hori (Japan), Guy Jacob (France), Bernie Kosowski (USA), Yuriy Solomonov (Russia), Wilhelm Eckl (Germany), Jochen Neutz (Germany), Adam Cumming (UK), Sergei Sysolyatin (Russia), Sergei Kryzhanovskiy (Russia), Andrey Litvinov (Russia), Yevgeniy Maksimov (Russia).

SUBJECT AND PURPOSES OF HEMs-2014

X International Workshop HEMs-2014 is held for the purpose of strengthening collaboration of noted scientists from different countries and manufacturers working on the development of new articles from high energy materials. Subjects of the Workshop cover the problems of civil application of HEMs and antiterrorism, up-to-date state and development perspectives of the following directions:

- 1) Development of HEMs, Their Features, Diagnostics and Combustion;
- 2) Demilitarization/Utilization/Environmental Safety of Energetic Systems;
- 3) Rocket Motors for Space Systems, Gas Generators;
- 4) Nanoscience and Nanotechnologies (including medicine and pharmaceuticals);
- 5) High Energy Materials for Antiterrorist Purposes;
- 6) Dual-Purpose Chemical Substances and medico-biologic materials.

Technical sessions of the Workshop will be held in Business-Center, Biysk, 9/1 Kutuzov St, during 2 days. The third day session is going to be in the camp Ivolga, Gorny Altay (60 km of Gorno-Altaysk and 160 km of Biysk), where a round-table discussion is going to take place to sum up HEMs 2004-2014 and discuss possible prospects of the further scientific and practical collaboration.

PRELIMINARY PROGRAM

02.09.14	Tuesday	Arrival	Registration and Pass, Welcome Reception
03.09.14	Wednesday	First day	Registration, opening session, conference room, photo
04.09.14	Thursday	Second day	Technical session, Social dinner
05.09.14	Friday	Third day	Round-table, Gorny Altay, camp Ivolga, Closing Session, Return to Biysk
06.09.14	Saturday		Departure

The excursion to the mountains of Gorny Altay can be organized for the accompanying people. They are requested to inform beforehand.

PARTICIPATION FEE AND ACCOMMODATION

All costs for organizing Workshop HEMs-2014 include: information and transport services, board, coffee-break during the Workshop, evening dinner, publishing the working materials and collection of abstracts, and pictures

Russian participants/representatives/supervisors	18,000 rubles
Russian post-graduates	9,000 rubles
Foreign participants/representatives/supervisors	€ 400
Foreign post-graduates	€ 200

The Workshop participants' accommodation is expected to be in comfortable rooms in the hotel Vostok, Biysk and the camp Ivolga. **The cost of accommodation is not included in the participation fee.**

SCHEDULE AND DEADLINES

Working languages: Russian and English.

Abstracts and reports should be written in Russian and in English

Receipt of abstracts (1-2 pages)	April 1, 2014
Participation notification	May 1, 2014
Complete text of the report	July 1, 2014

Russian reports should be sent with expert opinion.

You are requested to use in your reports MS Word Processor, Times New Roman, 14size

Reporters are requested to send an electronic copy of their abstracts to the contact address:
